Dear Sir,

RE: APPRECIATION SWISS GIPSY ORGANISATION

We as Stara Fraternity would like to give much of our appreciation for the kind - heart and donations towards the children for the continual of their education hence giving them a chance to become more self - confident individuals in the society.

For you being so supportive to us, we don't know how much we can appreciate you and reward you, but we give much of our appreciation and thanks to you.

May Almighty God continue to add you much life and help more needy children.

Thank you so much.

Yours Kindly
Josephine Mumo
